SUMMARY

Hi, my name is Nik Alyaa Nasuha Binti Nik Azhar. I graduated with a degree in Information System Engineering and am seeking job opportunities in October 2025 onward. I am a fast leaner, motivated and always eager to expand my skills. During internship. i gained practical experience in software development and management. Although I sometimes find it challenging to manage multiple task simultaneously, I overcome this by using structured to-do list and prioritization methods, which help me stay focus and meet deadlines efficiently.
